[Project report online](#)

www.porr-group.com

New connections for OMV.

PORR also executed the works for gabions and retaining walls.

After three years, construction work was successfully completed and the new access road was opened for traffic.

Impressions

Image notes

1

Intelligent building connects OMV's bioremediation plant.

Setting up retaining walls made of concrete along the 4.5km road was an essential part of this project.
