Principal	Canton Nidwalden, Office of Civil Engineering

[Project report online](#)

www.porr-group.com

A “suspenseful” bridge project in Stansstad.

Impressions

Image notes

1

Bridge over road and platforms.

Since 2006, the new Ausserfeld bridge has spanned the A2 motorway and the central railway.

2

Demolition in all weathers.

The old bridge was demolished at the end of winter. After this, the new construction could begin.

3

Five spans, one bridge.

The new Ausserfeld bridge consists of five spans, each 60m long and 10m wide.
