PORR

Flexible office space amidst the greenery.

Building A, the first element of the total area, has a gross floor area of 22,000m². The offices on the six upper floors comprise a total area of 12,000m². The two basement floors contain 214 parking spaces. The building itself was designed as a reinforced concrete frame construction and clad with glazed modular façade elements. The H-shaped floor plan ensures tenants can enjoy comfortable and variable office space with plenty of natural light. The grounds were designed as a park with artificial streams and ponds.

Impressions

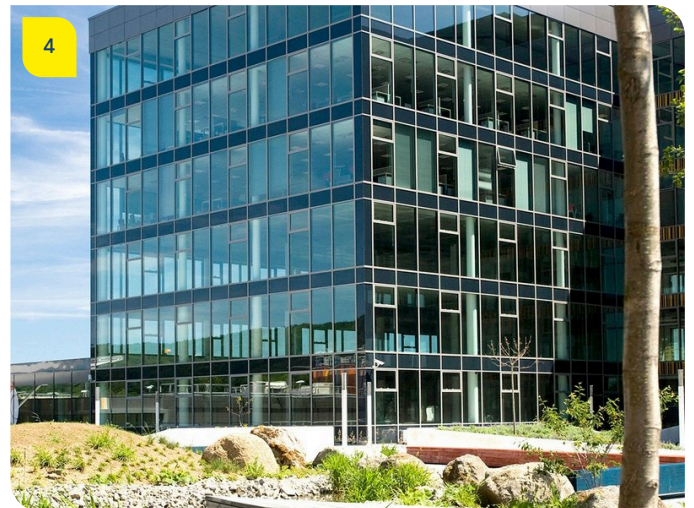

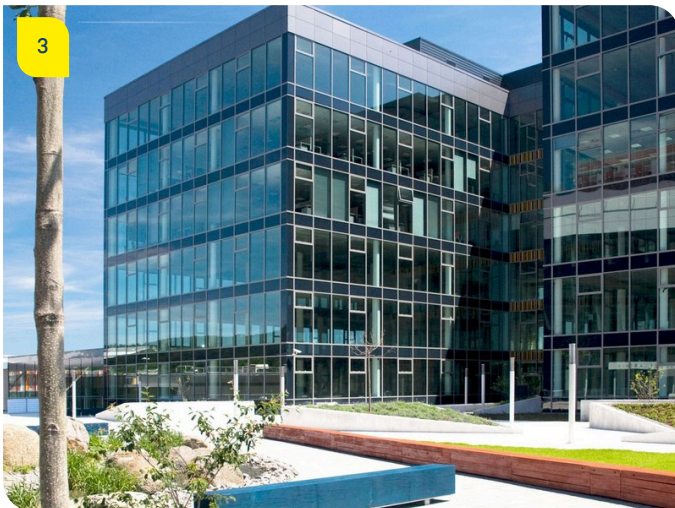

Image notes

1

Working within the local recreation area.

The green surroundings of this modern office building create an outstanding working atmosphere.

2

Campus in the green.

Ponds and green spaces surround this modern office centre.

3

Space to exchange ideas.

Benches invite passers-by to sit awhile in the park.

4

Natural surroundings inspire great work.

The modern office spaces are framed by ecologically designed grounds with natural rocks and ponds.
