We are building happiness for children.

The retail area of the new toy shop covers three storeys. The renovations incorporated the floors, dividing constructions, surface treatments, metalworks and fitting elements. The building technology, including electrical installations, also required modernising.

Impressions

Image notes

1

Hamleys in Prague.

Newly renovated toy shop in a historic building.

2

Attention to detail.

Even the lavatory fittings are optimally designed for the use of the small customers.

3

Everything a child's heart could desire.

Here every child's toy dreams come true.
