[Project report online](#)

www.porr-group.com

Luxury hotel in Prague's historic centre.

The building's location, on a heavily-travelled street in the centre of the city, presented great logistical challenges. Flawless coordination was essential for all works and for the delivery and storage of building materials. A helicopter was required for the delivery of the steel roof structure and the roof terrace jacuzzi.

Impressions

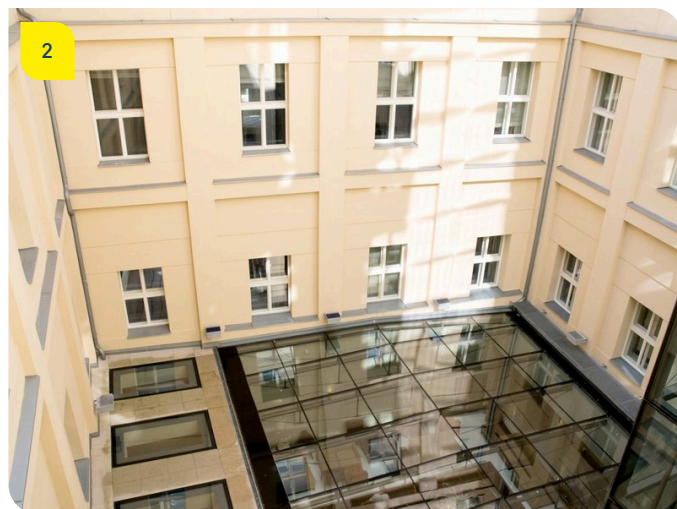

Image notes

1

Prague's premier address.

2

Dining under the skies of Prague.

The Kempinski is located at one of the country's premier addresses.

The luxurious hotel restaurant features a glass roof.

3 Palace in the Old Town.

The heritage-listed building was renovated with great care.

4 An oasis of peace in Prague's historic old town.

The shady inner courtyard invites guests to linger awhile.

5 Timeless elegance.

The interior of the Kempinski is distinguished by elegant luxury.
