Safe travel ahead.

Impressions

Image notes

1

Picturesque construction site.

For safe travels along the Vierwaldstättersee.

2

Heavy metal.

Since the end of 2010, the lake-side road has been protected from rock fall and avalanche by more than 3,000m² of steel mesh netting.

3

Challenging landscape.

The initial stage of the project involved the clearing and cleaning of the partially-overgrown rock face.
