

Project Südgürtel ("southern beltway") Graz

Data and facts

Company	PORR Bau GmbH and TEERAG-ASDAG GmbH in a consortium
Type	Structural engineering, Road construction, Large-scale projects, Earthworks
Runtime	01.2014 - 09.2017
Principal	The Office of the Provincial Government of Styria, Department 16: Traffic and Provincial Building Construction Projects

[Project report online](#)

Traffic is flowing thanks to gap closure

The project furthermore includes the reconceptualisation of the traffic phases through the construction of a roundabout. Additionally, we provide an optimised ground water drainage by means of our amendment of the tendered concept.

This project's special challenges were ambitious deadlines and complex construction site logistics.

Impressions

Image notes

1

Südgürtel ("southern beltway") Graz

The new line is supposed to relieve the traffic burden on Graz's southern region.

2

Südgürtel ("southern beltway") Graz

A form work carriage was used for tunnel construction.

3

Südgürtel ("southern beltway") Graz

Graz's Südgürtel beltway closes the gap between
Puntigam Bridge and Liebenauer Gürtel beltway.
