[Project report online](#)

www.porr-group.com

Bright living dream in the greenery.

The parking spaces are located in an underground garage measuring 125.3 m x 19.2 m, which connects the five buildings with each other. The residential buildings each have a square floor plan with elevator and staircase, from where access to the individual apartments is ensured. The apartments are barrier-free and handicapped accessible.

Impressions

Image notes

1

Living in the middle of nature.

The building is located in a protected monument zone.

2

A place to relax.

The garden area serves as a recreation zone for all residents.

3

Barrier-free access.

We have paid attention to barrier-free accessibility.
