[Project report online](#)

www.porr-group.com

New office location for the Euro zone's largest bank

The carcass was built as a reinforced concrete skeleton with pre-manufactured balustrades. The upper floors' façade design is dominated by long window strips while the ground floor is clad in a mullion and transom façade. The façade cladding is made from ceramic elements, aluminium covers and, in certain areas, from a thermal insulation system.

Impressions

Image notes

1

Office building Santander Group, Düsseldorf

Outside as well as inside, the office buildings wow with their clear design.

2

Office building Santander Group, Düsseldorf

The modern office building is comprehensively equipped in a representative style.
