The home base of pâté.

Furthermore, we were also responsible for the construction of the two-storied production hall as well as the office buildings.

Our team finished the work in just six months to the full satisfaction of the customer.

Impressions

Image notes

1

Impressive construction.

The production hall covers a building area of 17,679m².

2

A lot of space.

Next to the hall there is enough space for all the trucks coming to and leaving the factory.
