Principal Ministerul Dezvoltarii Regionale

[Project report online](#)

www.porr-group.com

Let it snow.

The execution of the electricity, the water supply lines, the water catchment plant and the sewerage were also in the hands of PORR. Finally, the contract also covered the rehabilitation of the access road and construction of a parking area.

In January 2010, all the works were finished on time and to the full satisfaction of the customer.

Impressions

Image notes

1

Ready for a night race.

Part of the construction work was to install lighting for the 1,478m long ski slopes.

2

Ready to ski.

PORR Construct S.R.L. handled the construction of a whole new ski lift system for this region with a length of 1,330m.
