PORR is one of the leading players in the European construction industry. It successfully delivers complex construction projects in both building and civil engineering. In the infrastructure sector, it is one of the few specialist firms and covers the entire construction value chain. It generates around 98.4% of its output in its home markets. PORR has been listed on the Vienna Stock Exchange for over 150 years as the oldest domestic listed company and has been included in the ATX since 2025.
