Ø Staffing level
21,228

Order backlog
EUR 8.5 bn

Order intake
EUR 6.8 bn

PORR is one of the leading players in the European construction industry. It successfully realises complex construction projects in building construction and civil engineering. It is one of the few specialists in the infrastructure sector and covers the entire construction value chain there as well. It generates around 97% of its output on its home markets. Die PORR has been listed on the Vienna Stock Exchange for over 150 years and is now traded on the Prime Market.
