Press Release

Strengthening the capital market profile

IGO Industries Group sells PORR shares

- **PORR's free float rises to 56.6%**
- **IGO Industries Group sold 4.0% of PORR shares**
- **The syndicate's stake of IGO Industries and Strauss Group falls to 43.4%**
- **The syndicate and control structure remain unchanged**

Vienna, 10.07.2026 – The IGO Industries Group sold 4.0% of syndicated shares. The existence of the syndicate, the control structure and IGO Industries' commitment to the further development of PORR and the company's strategic direction remain unaffected by this transaction.

PORR CEO Karl-Heinz Strauss says: "The capital market views an increased free float and the resulting broader investor base positively. They strengthen the liquidity in our stock, increase our international visibility, and thereby also enhance our attraction to investors."

Overall, PORR's free float (including PORR Management shares) stands at 56.6% following the transfer of shares (previously: 52.6%).

The press release including high-resolution images is available for download from the PORR Newsroom.

About the PORR Group

Top performance driven by innovation – that's what PORR has embodied for over 155 years. With 21,000 employees and production output of around EUR 6.8 bn (business year 2025), PORR is one of the largest construction companies in Austria and among the top players in Europe. As a full-service provider, PORR offers every aspect of building construction, civil engineering and infrastructure construction along the entire value chain. The focus is on the home markets of Austria, Germany, Switzerland, Poland, the Czech Republic, Slovakia and Romania as well as selected project markets. The PORR share is listed in the prime market segment of the Vienna Stock Exchange. As one of Austria's oldest continuously traded stocks, it is also included in the Austrian benchmark index, the ATX, making it one of the 20 most liquid companies on the Austrian capital market (ISIN: AT0000609607).
