

PORR Group Executive Board

Karl-Heinz Strauss, MBA, FRICS (CEO)

After graduating from the technical college of civil engineering, Karl-Heinz Strauss studied at Harvard University, at the Management Business School in St. Gallen and received his MBA from the IMADEC University in Vienna. Until 2000, he held various positions at Raiffeisen Zentralbank - including in the construction and real-estate divisions. He then founded Strauss & Partner Immobilien GmbH, whose best-known projects include the EURO PLAZA office park in Vienna. He took over as Chief Executive Officer of PORR AG in September 2010.

Klemens Eiter (CFO)

Klemens Eiter graduated in business informatics from the University of Vienna and the Vienna University of Economics and Business and has worked in auditing and tax consulting since 1996. Since 2009, Klemens Eiter has been Managing Partner of BDO Austria GmbH. He has most recently headed the IFRS competence center and the sector hub of the construction industry. Klemens Eiter is a capital market expert with an extensive track record and is highly experienced in establishing and implementing of transformation programmes and business optimisation.

Claude-Patrick Jeutter (COO)

Claude-Patrick Jeutter began his career at Müller-Altvatter, now ZECH Hochbau AG. He has many years of experience in management positions and in-depth expertise in building construction, civil engineering and tunnelling. From 2006 to 2019, he worked for the Köster Group, first as Technical Managing Director of Baresel GmbH and from 2012 as Technical Director of Köster Holding SE. Since October 2019, he has been Managing Director of PORR GmbH & Co. KGaA. As of January 1, 2024, he is responsible for the operating segments Germany and Romania as a member of the Executive Board.

Josef-Dieter Deix (COO)

Josef-Dieter Deix graduated in civil engineering and water management at the University of Natural Resources and then passed the master builder's examination. He has worked in various functions and areas of the PORR Group since 1999 and has many years of experience in the fields of civil engineering and specialised foundation engineering. He has been Managing Director of the Business Unit Austria since 2020. Prior to that, he was responsible for relevant projects abroad. As a member of the Executive Board he is responsible for Poland, the Czech Republic and Slovakia, Norway, GCC, tunnelling and infrastructure.
